Rote Fabrik - Artist in Residence AiR Application Form

Fixed period of residency: 1.4. - 30.6.2022

IG Rote Fabrik allocates a suitable work studio in Switzerland to professional foreign artists for a period of 3 months and provides for the infrastructure, support and artistic environment. With this Artists in Residency programme, we are encouraging intercultural exchange in the fields of visual arts, dance, theatre, music, film etc.

Conditions: Artists applying for a residency must have a convincing track record in the arts, be willing to engage with the culture of the host country and have the requisite language skills. Residencies apply to non Swiss Artists and Artists not living in Switzerland. Funding is available for travel expenses, insurance, costs of board and accommodation, a small production budget and Per Diem.
Our residence program is designed for one person only. Due to limited space and resources, which are not suitable for an artist collective, we unfortunately cannot consider group applications in our selection process. Artists who have already been guests in this program within the last two years are not eligible to apply. Thank you very much for your understanding.

Your application can be written in German or in English and can arrive at Rote Fabrik by e-mail or post.
Submission Deadline is 15.8.2021

Applicant

Forename		
Surname		
Alias		
Date of Birth	(DD-MM-YYYY)	
Full Address		
E-Mail & Mobile		
Website & Social Media
